# **VOLKSBANK RAIFFEISENBANK ACQUIRES STAKE IN IT CONSULTING FIRM ADORSYS**

**February 2023 – Volksbank Raiffeisenbank out of Rosenheim strengthens its position by investing in IT specialist adorsys GmbH & Co. KG.**

With a team of 130 highly qualified staff, adorsys offers customized IT implementation and consulting services with a focus on the financial services, insurance, and taxation sectors. Their services are trusted by more than 100 leading banks in Europe. TeamBank AG and Datev eG have already made their long-term investments in adorsys with significant blocks of shares.

"With the investment in adorsys, we are amplifying our strategic direction by adding an innovative IT partner with expert knowledge that fits very well to us," said Klaus Hatzel, Director at Volksbank Rosenheim eG, headquartered in Rosenheim.

Andrew J. Zeller, Managing Director at adorsys, recognizes the investment by Volksbank Rosenheim as confirmation of trust placed in the adorsys brand and looks forward to combined growth.

Francis Pouatcha, founder of adorsys and Global Tech Lead, emphasizes: "The long-term and sustainable success of adorsys remains our highest priority, and we see great opportunities for profitable growth in dynamic national and also international IT markets."
